

ROTC SCHOLARSHIP - RESERVE FORCES DUTY

For use of this form, see AR 145-1; the proponent agency is MILPERCEN.

Addendum to DA Form 3540 (*DA Form 4386 (National Guard only)*) acknowledging the requirement to reimburse the US Government for financial assistance should the individual fail to complete their military obligations.

I understand that as a member of a Reserve Component unit that if I am disenrolled from the ROTC Program for breach of my scholarship contract (*DA Form 597-3*), I may be ordered to serve in an enlisted status for the remainder of the unexpired portion of the enlistment contract. Should I voluntarily (*action initiated on my part, e.g., failure to attend drill*) or through misconduct (*service terminated by the Army National Guard/ US Army Reserve, e.g., drug usage*) fail to complete the required period of enlisted service, I shall reimburse the United States in a dollar amount, plus interest, in accordance with the following formula:

$$\text{Amount Due} = \text{Financial Assistance Provided} \times \frac{\text{Unserved Portion Of This Enlistment Contract}}{\text{Amount Of Time Of This Enlistment Contract}}$$

The interest added to this amount shall be the same as the current interest applied to the Federal Guaranteed Student Loan Program.
